

5 minute t-shirt jacket

you will need: a t-shirt, a pair of pinking shears. optional: trim and fastenings

1. Remove neck binding

2. Fold shirt in half. Cut away bottom seam of sleeves in a gentle curve, removing hem as well

3. Flatten shirt along center front and back. Cut a curve from the front center sloping to the back center, removing hem

4. Scissor straight down the center front. Trim as desired
